All vehicles have left - only 2 are waiting to be towed requested by OPS.

Contractor is here to close Freiman Lane and clean debris.

Me and Alain will close access until security comes in.

Will take pictures once all is cleaned and empty.

Update from Co's side : me and Mathieu walked the site, over all it's pretty good.

What's left is a pile of wood, a few vehicles/ RV and debris/garbage inside the metal fenced area as seen on pictures.

Good morning,

The soup kitchen is back near it's original location on Lawrence Freiman Lane.

There is approx. 6 OPS officers on site.

The tee pee poles have been removed from the park and are gone.

City of Ottawa are about to be dropping off fencing near Lawrence Freiman Lane & QED for our contractors to install later.
